FLEET INCIDENT NOTIFICATION SERVICE

Motor accidents should be reported to us within 24 hours:

- Our new service allows you to report an incident on any internet enabled device 24/7 e.g. laptop, tablet, smartphone
- You can upload your drivers and vehicle registrations in advance
- Incidents can be reported by fleet managers or direct by drivers
- You can also submit photographs
- The Incident Report is notified directly to both our claims team, and you. Claims handling will begin straight away.
- You can track notifications via the application
